\*\*All meeting fall on the 3rd Wednesday of the month except for Oct. and January due to UEA and delayed start after the holidays\*\*

**Kens agenda items:** His biggest fear is drop off in the oval area. Idea is to put cones in middle / close down the left lane

- suggestions:
1. close circle all together
  2. unlock gate on 1500 east
  3. recruit 6th graders — to help with the younger kids
  4. reminder of other drop off places

Decision is to use cones and see how that goes.

Volunteers in the school: Unsupervised volunteer qualifications (not within eyesight of teacher) 1 page is needed to be filled out if people are interested in helping and it must be ok'd first. HB 175.

Parking place: the principals parking place is now gone — as per Ken. We will now have an employee of the week — great way to thank people publically.

Set protocol for parent / teacher conflict — resolution — will have to be at a person by person basis, not able to have standard protocol at this time

Bench: will put it on next months agenda

Wellness committee update: asking about bringing science over to Uintah like other SLCC Charter — and other project based learning. If we were able to come through with this commitment — it would help empower our teachers

Please note — any agenda items you would like to add to the next meeting — please have to Weston by the Friday prior
